## ANNUAL REPORT-ACADEMIC YEAR 2022-2023

I am pleased to present the annual report for the academic year 2022-2023 of Loyola Institute of Technology. Since its inception in 2003, our institution has been committed to offering high-quality education to young and aspiring students. Our motto, "Fully Alive and Fully Human," reflects our dedication to nurturing holistic development. Throughout this academic year, the college has seen significant developmental activities. These initiatives have aimed to enhance various aspects of our institution, ensuring an enriching experience for our students and faculty members alike.

The academic activities of the college for the academic year 2022-2023 began on 3<sup>rd</sup> of July, 2022. A total number of 314 students were admitted for all the 6 Undergraduate and 1 Post Graduate disciplines, including one new program B.Tech, Artificial Intelligence and Data Science.

We have conducted 12 value added courses for the enhancement of the student knowledge in which 676 students got benefited. This enabled the students to enrich their subject competency and expertise in their desired discipline. Mentor mentee system plays a vital role in grooming the students for a better future. In order to see the progress in the performance of the students, we organize Student Academic Council meetings frequently.

42 students effectively underwent internships and completed 522 projects as a part of their curriculum

For effective learning, Loyola Institute of Technology has a built-up area of 25876.54 sq. m with a library, Eight computer labs, Eight seminar halls, restrooms in all floors and well-furnished staff rooms.

All the classrooms are well furnished with desks, green ceramic boards, pinup boards and five fans. The library is well established and spacious with 1100 sq. m. The library provides DELNET, E -Books, E-Journals, etc. It also functions with technical facilities like Bar Coding system, OPAC and high-tech digital library with NDL, TNDL, DOAJ and IEI. Effective monitoring of Exam process, Result Analysis, student attendance, and syllabus coverage has been achieved through the usage of ERP software by the students and faculties. The software has been effectively used in maintaining the records of Finance, Accounts and Administration activities as

well.

Our management has been encouraging the meritorious, sports excellent and economically downtrodden students by means of awarding scholarships at the time of admission in terms of fee waving. 1012 students were benefited out of 1140 students (88.77%) with management scholarships of Rs.36,56,000. Moreover, students benefited from various government bodies receiving scholarships of Rs.2,67,53,300.

Loyola Institute of Technology provides a platform for each and every student to showcase their talent, organizational skills and work in a team. Students gain exposures through supporting cells and clubs. Our college encourages co-curricular and extra-curricular activities for holistic development of our students. 828 students were benefited by the guidance for competitive exams and career counseling offered by the institution.

In order to nurture patriotism in students' minds, our college celebrates Independence Day, Republic Day every year. Loyola Institute of Technology Celebrated Women's Day - Gender Equity and Empowerment Program Honoring Hygiene Cleaners of the campus. We celebrated International Yoga Day at St. Cecilia Auditorium and conducted a session on yoga for the students. To promote and cultivate the culture and tradition, Loyola Institute of Technology organizes various celebrations like Ayudha Pooja, Christmas and Pongal.

The students learn about culture and tradition of the other places and gain knowledge about the important movement of arts and architecture through educational tours. Students were taken to countries like Bangkok on Global Internship, workshop on Artificial Intelligence to Singapore. Students got selected and participated in Smart India Hackathon held at Jaipur. Faculties attended the Open Chip Development Residency Program at Mysore. Also, students took part in International Youth Conference at Hyderabad and State Level Youth conference of Heartfulness at Tirupur and planted more than 1000 saplings as a part of activity in this program. Nearly 57 students attended "NATIONAL CYBER SECURITY AND SECURITY STANDARDS SUMMIT 2022" held at Coimbatore. Social promotion activities such as Drug Awareness Program, Singapenne, Thirunangayar Thiruvizha, Manjapai recreation program were conducted by the active clubs of Loyola.

Students participated in about 95 sports and culture events. Our sports team outshined in
