ANNUAL REPORT-ACADEMIC YEAR 2021-2022

I am pleased to present the annual report for the academic year 2021-2022 of Loyola Institute of Technology. Since its inception in 2003, our institution has been committed to offering high-quality education to young and aspiring students. Our motto, "Fully Alive and Fully Human," reflects our dedication to nurturing holistic development. Throughout this academic year, the college has seen significant developmental activities. These initiatives have aimed to enhance various aspects of our institution, ensuring an enriching experience for our students and faculty members alike.

The academic activities of the college for the academic year 2021-2022 began on 18th of August, 2021. A total number of 305 students were admitted for all the 5 Undergraduate and 1 Post Graduate disciplines.

We have conducted 7 value added courses for the enhancement of the student knowledge in which 827 students got benefited. This enabled the students to enrich their subject competency and expertise in their desired discipline. Mentor mentee system plays a vital role in grooming the students for a better future. In order to see the progress in the performance of the students, we organize Student Academic Council meetings frequently.

For effective learning, Loyola Institute of Technology has a built-up area of 25876.54 sq. m with a library, Eight computer labs, Eight seminar halls, restrooms in all floors and well-furnished staff rooms.

All the classrooms are well furnished with desks, green ceramic boards, pinup boards and five fans. The library is well established and spacious with 1100 sq. m. The library provides DELNET, E -Books, E-Journals, etc. It also functions with technical facilities like Bar Coding system, OPAC and high-tech digital library with NDL, TNDL, DOAJ and IEL.

According to the directions given by the Governing Council ERP Software was outsourced and successfully implemented for the usage in Administration, Finance and Accounts, Student support activities and Examination. Training was given to all the Faculties and Students for the effective usage of the Software.

Our management has been encouraging the meritorious, sports excellent and economically

downtrodden students by means of awarding scholarships at the time of admission in terms of fee waving. 1059 students benefited out of 1184 students (89.44%) with management scholarships of Rs.43,13,000. Moreover, students benefited from various government bodies receiving scholarships of Rs.2,81,79,550.

Loyola Institute of Technology provides a platform for each and every student to showcase their talent, organizational skills and work in a team. Students gain exposures through supporting cells and clubs. Our college encourages co-curricular and extra-curricular activities for holistic development of our students. 886 students were benefited by the guidance for competitive exams and career counseling offered by the institution.

In order to nurture patriotism in students minds, our college celebrates Independence Day every year. To promote and cultivate the culture and tradition, Loyola Institute of Technology organizes various celebrations like Christmas, Pongal and Ayudha pooja.

The students learn about culture and tradition of the other places and gain knowledge about the important movement of arts and architecture through educational tours. Students were regularly taken to various factories.

Students participated in about 69 sports and culture events. Our sports team outshined in all the games and brought laurels for their distinguished performance and proved their success. students had won 10 awards and medals in this academic year for their outstanding performances in sports and cultural activities at national and international levels. 10 extension and outreach programs were conducted in collaboration with industries, schools, etc. 11 workshops, seminars, conferences relating to research methodology, IPR and entrepreneurship were conducted during the academic year 2021-22. Alumni students, parents, teachers and employers feedback are collected regularly for institutional development every year.

92 full-time teachers were on roll during this academic year 2021-22. All the faculty members were encouraged to pursue Doctoral Degrees and published articles in reputed journals. Total 64 faculty members have attended faculty development programs in various colleges and 9 non-teaching staff members attended administrative training programs conducted by our college. Faculty members were provided with financial support for attending conferences, workshops, etc. 57 faculty attended various programs with financial support of Rs. 3,04,150 lakhs in this academic
